

BARNESVILLE ELEMENTARY SCHOOL

Kindergarten Registration

Kindergarten registration for the upcoming 2019-20120 academic school year will take place (*by appointment*) on Thursday, Feb 28, 2019 and Friday, March 1, 2019 in the Barnesville Elementary School conference room. **Please contact the school counselor (Tom Porter: 425-3116 extension 4129) to schedule your appointment.**

Students previously enrolled in 'our' Barnesville Preschool Program need not re-register. Please make copies (prior to your scheduled appointment) of the following information in an effort to expedite the registration process:

- * proof of residency (utility bill, rental agreement, tax statement)
- * birth certificate
- * social security card
- * immunization (shot records)
- * parent identification (driver's license)

- * custody and court placement papers (if applicable)
- * open enrollment (if applicable)

Due to the high volume of appointments, please allow upwards of 10 to 15 minutes for your appointment. At the termination of your scheduled appointment, you will be assigned another appointment for Kindergarten Screening. Kindergarten screening will take place in late May.
