Barnesville High School	Donation for PLTW/CFOV The Barnesville Exempted Village School District's goal is to prepare students for the global economy. To do this, the district has implemented the Project Lead the Way STEM program in both the middle school and high school. At the middle school, students have the opportunity to take Design & Modeling and Automation & Robotics. At the high school, students may take Introduction to Engineering Design. The district plans to offer more Project Lead the Way STEM classes in future school years. To help meet this goal, the Barnesville Exempted Village School District formed an alliance with the Community Foundation for the Ohio Valley through the Smith Goshen Rice Enrichment Fund. We need your help! The Smith Goshen Enrichment fund has agreed to match our donations! Our goal is to raise \$5,000 with a match of \$5,000 for a total of \$10,000. Feel free to donate any amount above \$1.00. Your donation is greatly appreciated!	\$1.00	0	<input type="checkbox"/>
