Marcie Williams graduated from Barnesville High School in 1993. While there she was active in the band as well as cross country and track. During high school she had the opportunity to visit Russia which forever changed the way she viewed the world. Following that trip, she was determined to see as much of the world as possible and she made a fantastic go of it. With this in mind, a \$2500 scholarship will be awarded to one BHS senior to be used to provide support for travels abroad.

In a short essay, please tell me a little about yourself and answer the following questions:

There are so many countries to explore, what made you choose your destination country?

How will traveling abroad enhance your life goals?

Please give this application cover sheet along with your essay to Mrs. Shilling. Application must be RECEIVED at least one week before the awards assembly.

### Necessary qualifications to apply:

- Currently a BHS senior
- A desire to travel outside of North America within the next four years (i.e., you do not have to study abroad or even attend college to be eligible. This award is to promote travel and is not tied to academic achievement.)

### Conditions upon receiving Marcie's scholarship:

- To receive the award money, you MUST first reach out to her sister, Alicia Williams (BHS 1995), at [acw2007@gmail.com](mailto:acw2007@gmail.com) shortly after award notice
- Money will be sent once travel plans are finalized
- Travel needs to be completed by December 31 of the year you graduate college (or four years after high school graduation). There's nothing like traveling when you're young! Trust me 😊
