November 19, 2015

Dear Families,

As you may know, our district implemented a new technology called ZPass earlier this calendar year for students riding our buses. ZPass cards were provided to students free of charge as part of the "Straight A Fund" transportation grant that we were awarded. Child safety is of primary concern to our schools and parents and this grant has further helped us ensure the safe transportation of children to and from school and school-related events.

We're excited to let you know the next phase of this program, ZPass+, is now available. ZPass+ allows parents to receive text and/or email alerts in real time as your child boards and exits the bus.

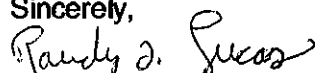

This is how it works... Students carry a small card that automatically logs their entry or exit information when the card is scanned through the ZPass scanner located on the school bus. The information is then instantly and securely available to you. Notifications can be sent directly to your email or to your cell phone via text message.

Be aware that ZPass+ text and email notifications are NOT available if your child does not use the ZPass card that he/she was issued earlier this year. Please encourage your child to bring, and use, his/her ZPass card everyday! A replacement card can be obtained, if needed, by contacting the office at your child's school.

Please visit www.zpassplus.com to learn more and sign up. Easy to follow instructions are included on the back of this memo.

We're excited about the level of assurance this next phase of ZPass will bring. We hope knowing when and where your child gets on and off the bus will give you an added peace-of-mind and make it easier for you to plan your day.

Sincerely,

Randy Lucas, Superintendent

BARNESVILLE EXEMPTED VILLAGE SCHOOL DISTRICT Parent ZPass+ Online Account Set-up Instructions

Instructions to create an online ZPass+ Online Account:

1. Go to www.zpassplus.com.
2. Click on "Sign Up Today".

3. Add students to your account by entering their first and last name, and the RFID# off their card.

A screenshot of the ZPass+ "Sign Up - Step 1 of 4" form, titled "Student Information". The form includes the ZPass+ logo and the text "Already have an account? Sign in here." Below the heading, it says "Add students to follow. You can enter up to six during sign up." The form has three input fields: "Student's First Name*", "Student's Last Name*", and "RFID#* (What's this?)". An "add" button is located at the bottom right of the form.

4. Enter your email address and create a password. Continue following the on-screen instructions to complete the account set-up process.

A screenshot of the ZPass+ "Sign Up - Step 2 of 4" form, titled "Account Information". The form includes the ZPass+ logo and the text "Already have an account? Sign in here." Below the heading, it says "Account Information". The form has three input fields: "Email Address*" (with the example "kalle.wamer@consystems.com"), "Password*" (with a note: "Password must be a minimum of 8 characters, have no spaces and contain at least one number"), and "Confirm Password*".
