

Jane E. Hall Memorial Nursing Scholarship

Jane E. Hall is a 1967 graduate of Barnesville High School. She grew up in this beloved town where her father, Harold O. Hall, served for many years as the county auditor. Her mother, Lucille M Hall, served as nursing assistant and ward clerk in the local Barnesville Hospital. Jane set her sights on becoming a nurse. As her fellow graduates, we went down that road together and the nurses we became. As a graduate of The Ohio Valley General Hospital School of Nursing in Wheeling, WV, in 1970, and eventually the recipient of a Bachelor of Science in Nursing from Ohio University in 2005, Jane's career blossomed into a life of service. She soon **sought** that next level of commitment and became a flight nurse with the WV Air National Guard US Air Force. She retired in 1997 after 25 years of service with the rank of Lieutenant Colonel. By the end of her nursing career she had served over 40 years as a dedicated employee of Barnesville Hospital.

As her friends and family, we are looking for that student who sees this career of service as their goal, also. We would like to help with a monetary scholarship to be awarded to our recipient in their senior year of high school, although not bestowed until the end of their first semester in college as a demonstration of commitment and ability toward the goal of becoming a registered nurse.
